2 Welcome

The Management team is committed to maintain and cultivate an Estate that offers maximum comfort and enjoyment for all its Tenants.

Please take a moment to read our Estate Policy and keep it in a safe place.

We have carefully designed the Policy to highlight day-to-day activities which are important to you as valued Tenants, together with relatives, visitors, Warambie Estate employees, contractors, subcontractors and vendors when they are present at the Estate grounds.

Management will be guided by the Caravan and Camping Grounds Act 1995 (WA) and the Estate Policy to administer the Estate. Management manages the Estate and any community facilities.

3 Tenants

3.1 Quiet Enjoyment

Tenants, their relatives, visitors and Management should have the benefit of quiet enjoyment while in the Estate and respect the rights of others to quiet enjoyment. Tenants are responsible for their relatives, children and visitors whilst they are in the Estate.

3.2 Going on Vacation

If you're going to be away for more than seven days, we kindly ask that you inform Management to assist with security and maintenance.

3.3 Pet Policy

Pets are not permitted in the Estate at anytime.

3.4 Relatives and Visitors

Relatives and visitors are welcome to visit or to stay with Tenants for up to 30 days cumulatively in any 12 month period.

Management needs to be made aware of extended visits (or longer than 7 days). Extended stays may attract additional costs.

Relatives and visitors may only reside in the Estate when the Tenant is also residing in the Estate.

Relatives and visitors are welcome to use Estate facilities provided the Tenant is in attendance at all times.

Tenants are responsible for the actions and behaviour of their visitors or contractors whilst in the Estate.

Management takes every care to provide a safe Estate environment but is not responsible for the actions of Tenants, their relatives, visitors and their appointed contractors who are the responsibility of the Tenant.

As law abiding citizens, Tenants are obliged to adhere to any relevant Federal, State or Local Government Acts and Bylaws.

Tenants are responsible for any damage caused to the Estate by themselves, their relatives, visitors or their appointed contractors.

3.6 Soliciting

Unless specifically approved by Management, soliciting either door to door or otherwise, for any purpose is not permitted in the Estate. This includes distributing flyers and / or samples to homes or to mailboxes.

4 Facilities

4.1 Noise Policy

Prior to 10pm functions/gatherings are permitted in the outdoor entertainment areas.

After 10pm noise levels are to be kept to a minimum. Any “unreasonable noise” is to cease after mid-night.

4.2 Outdoor Entertaining Areas

The popular outdoor entertaining and barbecue areas are for Tenants, their relatives, visitors, approved Warambie Estate employees, caterers and invited guests to enjoy and use.

8.8 Maximum Lease Period

Warambie Estate was established by the State Government in 2011 and continues to play a pivotal role in supporting local business within the City of Karratha through the provision of affordable housing for eligible service workers.

One of the fundamental principles in providing this support is that tenancies are made available for a maximum of four-years to businesses on the basis that this is considered a reasonable timeframe in which business growth and/or consolidation can be achieved and following, the transition to private residential arrangements can be established to accommodate employees. This key principle is particularly important given the ongoing high demand for accommodation support provided by Warambie Estate.
